Private Riverfront Property - Awe-inspiring Views in every direction. This home that Denny Hess built was a labor of love. The value is in the construction. It could not be built today with the exceptional wood used, for what you can now buy the entire property for; Myrtlewood, Old Growth Redwood, Curly Redwood, Cedar, Alder, Hawaiian Koa - Take a tour with us and feel the emotion this property invokes (see Virtual Tour and Drone Video under Photos tab). The intricate stonework throughout took 3 years to complete, from hand picking each rock, to the artfully designed hand-built pillars. Imagine also 4.5 private acres and 640+/- ft of river frontage. Glass throughout the 3740 sf home provides natural light and showcases the stunning beauty that surrounds you here.
